A Full House for Leadership Arlington's Monte Carlo Night

Arlington, VA - With over 450 Washington metropolitan community stakeholders in attendance, Leadership Arlington's ninth annual Monte Carlo Night was the best year to date. The event was held Saturday, March 15, 2014 at Ronald Reagan National Airport, Historic Terminal "A." Proceeds from this event support Leadership Arlington's mission and Youth Program.

The theme of the evening was The Great Gatsby. Guests enjoyed a 1920's art deco vibe. Patrons were treated to an exciting array of activities from a silent auction benefiting the Leadership Arlington Youth Program to Monte Carlo casino-style gaming tables. Mark Ingrao, President of the Greater Reston Chamber of Commerce, graduate of the inaugural Leadership Arlington Signature Program Class of 1999 and member of the Leadership Arlington Board of Regents, led guests through an exciting live auction as the evening neared its end.

"The community came out in record numbers to support our community," said Betsy Frantz, President & CEO of Leadership Arlington. "This event is critical to the success of the Youth Program and mission of the organization. We appreciate the collaboration of leaders from the area validating our organization."

Each year, the "who's who" in the business, nonprofit and public sectors enjoy the opportunity to connect with other key leaders in our community in a fun and elegant environment at Monte Carlo Night, and this year was no exception.
