ON BOARD! Professional Training

Arlington, VA - New to a board? We'll help you maximize your impact. **Looking to join a board?** We'll show you how, and train you, too. **A veteran board member?** We'll provide a refresher to keep you energized and engaged.

ON BOARD! trainings are one-day seminars held twice each year. Nonprofit board and staff members receive an in-depth overview of the roles and legal responsibilities of nonprofit boards. Participants gather to gain a deeper understanding of how to increase one's efficacy as a nonprofit board member. Samples of past topics include fundraising and corporate partnerships, maximizing volunteers and policy-based governance.

The ON BOARD! faculty is made up of trained facilitators and seasoned nonprofit executives eager to share their years of "real world" experience with current and potential board members of nonprofit organizations. Since the program's inception in early 2009, 97% of participants at Leadership Arlington's ON BOARD! indicated that the seminar was "superior" or "excellent." Past participants have said of the workshop, "**It was great! A needed course for any board member - but especially for a new one such as myself!**"

ON BOARD! will take place on **Tuesday, January 29, 2013** starting with registration at 8:45am. The session will run from 9:00am until 5:00pm at WETA, 2775 S. Quincy Street, Arlington, VA 22206. **Cost is \$100. Lunch and a workshop binder are included.**

Sponsored by: DeVry University, Keller Graduate School of Management and Bean Kinney & Korman, in partnership with Board Link.
