Black Belt for High Performing Leaders - Organizational Change

Arlington, VA - Leadership Arlington's Leadership Center for Excellence is offering a Black Belt for High Performing Leaders workshop, "Organizational Change," in partnership with Marymount University on Tuesday, September 10, 2013 from 9:00am until 11:30am at Marymount University's Ballston Campus (1000 N. Glebe Road, Arlington, VA 22203).

As organizations grow and mature, they tend to become less innovative and more focused on their markets. The behavior of managers also changes in ways that parallel the organization's momentum and almost always is potentially destructive.

Greek philosopher Heraclitus stated, "Change is the only constant." With that in mind, the "Organizational Change" workshop will provide participants with trends in organizational change today, ways to avoid the pitfall of seemingly destructive change, how to get ahead of the change and practices and procedures to position organizations for success.

Dr. Bill Combs, Assistant Professor of Management at Marymount University, will be the trainer for this workshop. Dr. Combs has more than 30 years of experience leading organizations in defense contracting and management consulting.

Cost is \$99 per participant. Continental breakfast will be provided. Visit www.leadershiparlington.org to register.
