

HANNAH NEQUIST

PROGRAMS MANAGER

With a degree in Hospitality and Tourism Management, Hannah found the sweet spot between her skills and passion for community as Community Leadership Program Coordinator for the Center for Community Leadership (CCL) at the Grand Rapids Area Chamber of Commerce, in Grand Rapids, MI. During her time there, she helped to support all of CCL's programs and events, including the signature Leadership Grand Rapids program as well as the Emerging Leaders Series and Leadership Advantage.

Following her husband's career move, Hannah relocated to the DC Metro area in 2014 and found success as the Community Advancement Coordinator at the Association for Chamber of Commerce Executives, supporting chamber professionals all over the country on their work in the areas of Economic Development, Public Policy and Diversity, Equity and Inclusion. Hannah is excited to return to a local focus as the Programs Manager for Leadership Center for Excellence.

She currently resides in Alexandria with her husband, Nicholas, two cats and gorgeous one-year-old son, Axel.
