40 Under 40 Recognizes Emerging Leaders in DC Area

Arlington, VA - At a sold-out event with 250 people in attendance, Leadership Center for Excellence held its third annual 40 Under 40 at Army Navy Country Club on Friday, December 2, 2016 in partnership with the Arlington Chamber of Commerce, Arlington Community Foundation, Arlington Economic Development and the *Sun Gazette*.

The 40 Under 40 event honored forty trailblazers who have demonstrated exceptional leadership in the personal and professional spheres and who are devoted to making positive change within our community. This event was an opportunity to support and invest in these leaders, and the Leadership Center for Excellence hopes that they will further create valuable social capital for this region. The honorees embody the values and characteristics of servant leaders, and the future of this region and organization are bright due to their innovation and leadership.
